Line up

- Length : 175mm / Weight : 97g
- Hook : #3/0x2 / Ring : 150lb

FEATURE

FLASHBOOST

Flash boost
Buoyancy design
that allows the
entire body to be
submerged
in water

Large hook

JETBOOST

SCALEBOOST

"Flash boost mechanism"
The vibration amplification
by the spring keeps inviting
even during the stay

A slightly slower jerk or a
longer pose is recommended
for invitations. Please be
aware of the approach of
showing it firmly and making
sure to eat it.

One size large hook setting
that allows you to
communicate with peace
of mind
