- 220 × 180 × 150mm

- BLACK : YELLOW : GREEN

FEATURES

Equipped with 4 mesh material holders on both sides of the pouch for convenient storage of pliers, line cutters, etc.

In addition, it comes with two types of belts, a waist type and a shoulder type, to support various fishing styles.

The "E.G. Light Game Pouch", which is compact yet has high storage capacity and functionality, strongly supports light games.

Outward opening flap

We thoroughly pursued ease of use during fishing, and adopted an "outward opening flap". It can be opened and closed with one action, realizing smooth tackle loading and unloading without stress.

Example of use

The main pocket can store 3 inner box S slim. Equipped with 4 mesh material holders on both sides of the pouch for convenient storage of pliers, line cutters, etc.

Loop

With loop that can attach E.G. pin-on reel type III
