FEATURE

For spinning

*2-way design that allows storage
without folding the handle.*

Usage example: For spinning

- Can be installed with the rod set on the reel
- Can be stored without folding the handle (excluding L (SW))
- Exclusive design to perfectly store reels
- 3mm thick cushion fabric with excellent impact resistance
- Mesh is placed so that wet lines and reels can easily dry [SS to M]
- Waterproof chloroprene rubber is placed on the reel to prevent it from getting wet [L (SW)]
