**For all anglers in Hokkaido aiming
for sea cherry & sea trout**

Metal Kamuy 50 was developed with a focus
on sea cherry blossoms and sea cucumbers.

It is the first metal body in Press Bait history, and
it has a rear center of gravity that produces outstanding flight distance.

A special model sent to anglers in Hokkaido aiming
for sea cherry and sea trout.

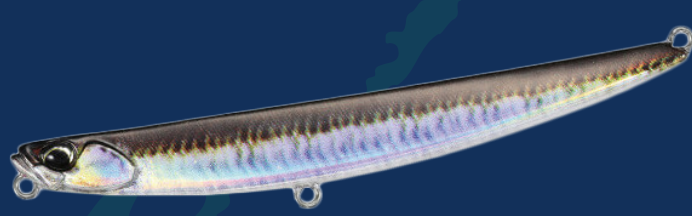

- 1 Press Bait's first ever full metal body
- 2 Rear center of gravity design that produces outstanding flight distance
- 3 Stainless steel penetrating wire that achieves high body strength
- 4 An eye dedicated to the support hook is installed on the ventral side
