#### Line up

- SIZE : 50mm / TYPE : HEAVY SINKING
- SYSTEM : FIXED TYPE (M.S.W)
- WT : 4.5g / HOOK : #12
- MATERIAL : ABS / SUREFACE : ALUMINUM FOIL

#### Flying and swimming, the strongest minnow of the current

Stability to capture every flow, range keeping power, and flight distance.  
You can invite without stress even in a river with strong pressure when the water rises.

#### Line up

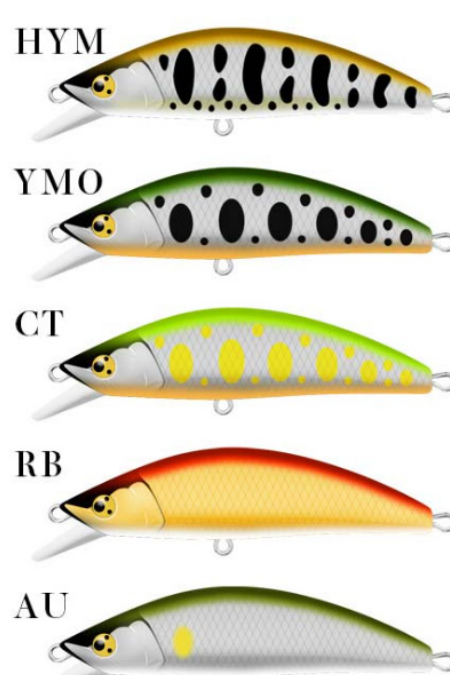

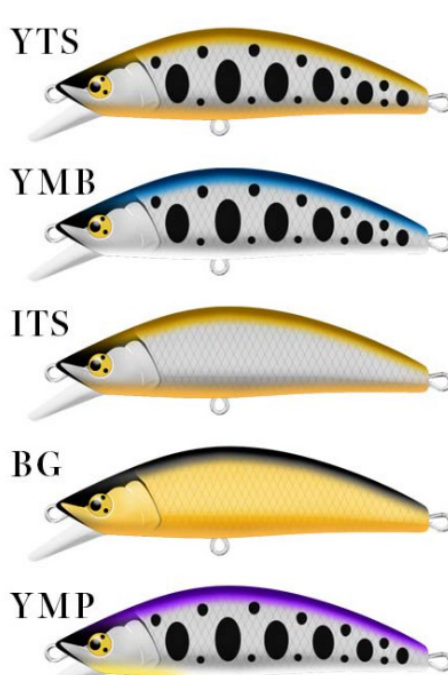

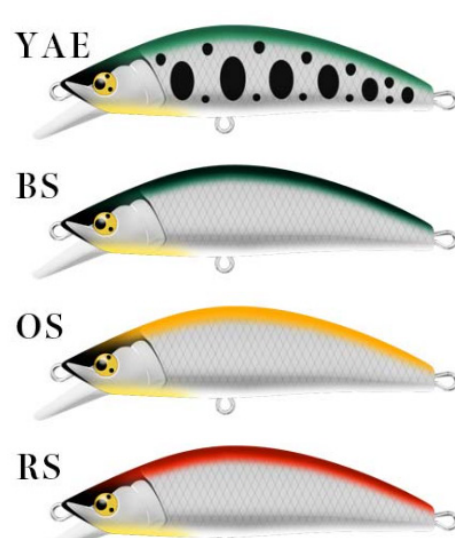

- SIZE : 68mm / TYPE : HEAVY SINKING
- SYSTEM : FIXED TYPE (M.S.W)
- WT : 7.5g / HOOK : #10
- MATERIAL : ABS / SUREFACE : ALUMINUM FOIL

#### Mainstream super all-rounder

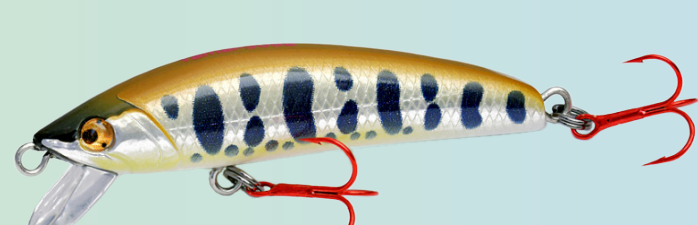

While using Yamai's strength against the flow, which is the true value of Yamai, and well-balanced swimming power as weapons, the capture range has been further expanded in terms of both flight distance and range. Ideal for fishing that searches a wide range at a good tempo.
